KEY CABINETS

When it comes to keys, you want to make sure they're safe. From a simple key cabinet to a more advanced issue and monitoring system, SFL can offer a solution to meet your requirements.

DEEP KEY VAULT 200

- Heavy duty key cabinet designed to meet the growing need for added security
- Increased depth - Ideal for storing bunches of keys
- Supplied with standard 5-pin Euro single cylinder and 2 keys
- Use your own cylinder to incorporate the cabinet into an existing suited system
- 2.5mm fabricated steel cabinet with flush closing door to resist forced entry
- Adjustable colour coded and numbered hook bars allow the layout to be customised
- Ingenious key tabs are designed to hang so that the number is always visible
- Closed loops included for use with optional security seals
- Key locations can be recorded on the control index which is removable for added security
- Durable Light Grey paint finish will suit most environments
- Cylinder can be easily changed in seconds to ensure total security
